

- Each TeamBoard interactive whiteboard is supported by two content-rich interactive software together with teacher toolkits
- These toolkits are intuitive with a very user friendly user interface
- Lessons, resources, images and animations are targeted to K-12 levels

## TeamBoard WizTeach Creative Lessons

### Maths Tools

<b>Number Toolbar</b>	20
Abacus	
Add Numbers from slide into Abacus	
Add numbers from slide into calculator	
Calculator	
Calculator works over desktop e.g. webpages, live video, MS Word etc	
Fraction inserts	
Fraction generator	
Dynamic sum/equation builder that works anywhere	
Function machine	
Maths equation generator with answer revealed	
Drag numbers from Excel into calculator	
Drag numbers out of calculator/abacus onto slide	
Number grid generator	
Number grids	
Number lines	
Numberline generator	
Numbers snap back in place on number line/grid	
Place card values	
Show fraction tile as fraction bar	
Show fraction tile as pie chart	
<b>Geometry Toolbar</b>	5
Animation of Nets	
Reveal angles in shapes	
Reveal area, circumference etc of circles	
Rotation & reflection of objects - show original and transformed locations	
Show dynamic formulae on how to calculate area, circumference etc of circles	
<b>Measurement Toolbar</b>	11
Conversion Tool to convert Weight, Volume, Distance, Temp, Time, Area	
Conversion Tool works over desktop e.g. webpages, live video, MS Word etc	
Compass Tool	
Protractor	
Protractor works over desktop e.g. webpages, live video, MS Word etc	
Ruler	
Ruler works over desktop e.g. webpages, live video, MS Word etc	
Scientific calculator	
Stop watch	
Tape measure	
Timer	
<b>Graphs and Data</b>	4
Graph Generator	
Graph Generator works over desktop e.g. webpages, live video, MS Word etc	
Probability spinner	
Tally mark indicator	
<b>Maths Games Toolbar</b>	8
Sudoku	
See-Saw	
Target 24	
Memory	
Number Balls	
Math Lines	
Arithmetic	
Speedy Sums	
<b>Geography Toolbar</b>	9
Live weather conditions	
Map maker	
Maps for all countries, states and counties Worldwide	
Supports Google Maps working over desktop e.g. webpages, live video, MS Word etc	
Table Tool	
Thermometer Tool with live conditions over Google maps	
Maps linked to Wikipedia	
Text boxes speak to maps (drop in postcodes, etc)	
<b>Literacy Toolbar</b>	13
Add punctuation	
Cloze passage	
Highlight complete words tool	
Sentence building cards	
Text edit	
Text edit background	
Text tool works over desktop e.g. webpages, live video, MS Word etc	
Text wrapping	
Word building cards	
Word Root search	
Word wallet	
Workspace Thumbnails	
<b>Literacy Games Toolbar</b>	4
Word Builder	
Word Hunt	
Mix Up	
Word Scramble	
<b>Resource Library 3500 images and animations</b>	3500
Architecture	
Charts and Diagrams	
General	
Language Arts	
Math	
Science	
Social Studies	
People	
Technology	
Qwizdom	

<b>Standard Tools</b>	83
Align	
Annotate in glass mode	
Arrow head control	
Audio file	
Background colour	
Background images	
Basic pen colours	
Blind	
Capture picture outside software	
Capture selected area	
Capture video	
Check for software updates	
Class Roster creation	
Eraser	
Eye dropper selection tool	
Fill colour control	
Fill tool	
Flash player	
Floating Palette	
Cut/ copy/paste	
Customise background	
Drag & Drop image from internet/other applications in slide	
Drag & Drop text from any application into slide	
Colour picker choice	
Duplicate page	
Freehand highlights	
Freehand text	
Glass Mode	
Highlighter	
Hyperlink	
Image Bank	
Import sounds	
Keyboard available for all languages	
Line colour control	
Line transparency	
Line variations	
Link sounds to objects	
link to file	
link to internet	
Magic Pen/ink	
Magnetic lines	
Make copiable	
Minimize toolbar	
Mirror objects	
Multiple languages (amount)	
Multicoloured pen	
Order	
Page revealer	
Pen tool	
On screen keyboard	
Order	
Page revealer	
Pen tool	
Print	
Zoom/Magnifier	
Image and Animation Gallery (subjects covered below)	
Resize tool bars to full screen	
Group	
Lock object to background	
Rotate objects	
Save formats(mixed)	
Save to PPT	
Save to PDF	
Save to Word	
Save window shade into slide view	
Scalable objects	
Set independent default colours for pen, shape and line	
Shape edit points	
Shape recognition	
Shapes	
Spotlight	
Store	
Translucent fill	
Triangle	
Type Text	
Undo	
Version for Linux Available	
Version for Mac Available	
Version for Windows Available	
Video files	
Web Conferencing	
Works compatibly with any shared VEL	
<b>Capture Tools</b>	4
Record sound	
Reporting by student for voting sessions	
Record sound	
Automatically links to any camera capture device on computer (ie visualiser)	
<b>Voting Toolbar</b>	10
Multiple Choice	
Yes/No	
True / False	
Numeric Response	
Sequence	
Rating Scale	
Text Input	
Voting	
Summary Graph	
Repeat Question	
<b>WizTeach Share</b>	40
